

Brotherly love raises money for Morris Care

April 2008

Local man Dave Davies has taken up the challenge to run this year's London Marathon on the 13th April, to raise money for The Morris Care Centre in Wellington. Dave's brother, Bernard Tipton has been a resident at The Care Centre since January and the sponsorship money will go to the home's amenity fund which helps towards providing additional day trips and activities for the residents.

Dave said: "I have been a member of the Telford Athletics club for 15 years and have participated in every one of Telford's 16 marathons. The London Marathon is an exciting challenge and one which I am very much looking forward to."

He added: "I am pleased to be able to help The Care Centre's amenity fund. The donation is also a thank you to all the staff for the wonderful care they have provided my brother."

The London Marathon is the largest race of its kind in the world, spanning a staggering 26.2 miles and its runners enjoy some of London's finest landmarks. Dave will be part of this historic race and will join the hundreds of people pushing their fitness levels to the limits to selflessly raise money for the benefit of others.

Timothy Morris, Director of Morris Care, said: "We are delighted that Dave has chosen to donate the money raised from his marathon run to The Care Centre and we wish him the very best of luck for Sunday."
